The CEB board met at the World Championship 3Cushion in Viersen, for its first meeting of the year. Below are the new decisions and some information.

Brandenburg 2019

It is confirmed, the European Championships 2019 will take place from **April 26 to May 5, 2019** in Brandenburg. The General Assembly of the CEB will be held on this occasion on Saturday, May 4, 2019.

President's Symposium

This first symposium will take place on **Saturday, June 9, 2018 in Porto** during the 60th edition of the Coupe d'Europe 3C for club teams. Invitations have been sent and we hope that we will be many to discuss topics as diverse as the training of Youth, Paris 2024, referee etc ...

Euro Youth

Great success for Euro Youth (3B, 5Q and Free U21, 3B and Free U17, U19 Free Teams) ! Indeed there are 13 nations registered, which is a record for youth at the CEB level: Austria, Belgium, Czech Republic, Denmark, France, Germany, Greece, Italy, Luxembourg, Netherlands, Portugal, Turkey.

More than 65 different players will participate in this first edition which will take place in **Ronchin on Easter weekend 2018**. As already announced, the CEB will participate and help the Federations with 100€ per player, representing an amount of about 6'500€.

Juniors Training Camps (3-Cushion)

In partnership with the UMB, training camps for young athletes will be organized in August in Spain. Detailed information will follow shortly.

Ladies

The European Ladies Free Cup Free will also take place in Ronchin at the same time as the Euro Youth and will include 16 athletes, which is also a record! This is good news for women's billiards and for the CEB, which aims to promote it.

5 Pins

The three tournaments of the new competition « **5-Pins Euro-League Club Team 2018** » are known:

June 1-3 in Roselaere (Be)

September 28-30 in Berne (SU)

November 9-11 in Morangis (FR)

Officials cloths CEB, partnership with Simonis,

We are very pleased to announce that our partnership with **Simonis** has been renewed.

In addition, we are also excited to be able to propose a new type of specific cloth for 5Pins competition, **the Simonis Laser 2.0**.

The Simonis Laser 2.0 has the same composition and the same weight as the Simonis 300 Rapide cloth used successfully in carom. The difference between the two products is only a few adjustments to the finish in order to adapt the Simonis Laser 2.0 more particularly to the game of 5 pins. This new cloth will be used for Euro-League Club Teams 5 pins events.

Referee

The first training course for CEB referees will be held on 15 September 2018 in Madrid area. Detailed information will be communicated later.
